# MY DREAM HOME

My dream home It has two floors,  
There is a basement, where There is the washing center and the stair, On the first floor is the kitchen where mom kitchen our favorite foods, next to of the it is the kitchen is the TV room where we watch movies, on one side is the reception for when visitors arrive, there is a garage to store the car, on the second floor is the bathroom, and our room and a terrace, In the upstairs attic we keep objects that we no longer use  
On the part of In front of my house is the garden where there are flowers And where we played with my sisters Underneath an orange tree.
