The House of my dreams.

My dream house is two stories. On the first floor we have three bedrooms with a large TV, also a kitchen and four bathrooms. In each bathroom there is a rug and a mirror, there is a large patio, in the patio there are swimming pools. On the second floor we have two guest rooms and a living room with a sofa and table, there are two guest bedrooms so that people who do not visit are comfortable, there is a cinema with different functions for my house.
