

My dream Home

Brayan Yahel Fernández Lopez

English II

I dream a house with two floors, in the first floor I want the living room with four armchairs and the TV on one side of the room, next I dream with a dining room with eight chairs and one chimney to have dinner with my family and friends, also I dream with a kitchen next to the dining room, in the kitchen I want a stove, one fried and a table to cook everything

In the second floor I dream of having four rooms, two that my children will use, one that my wife and my use to sleep and one for guests

Outside of my dream House, I want a soccer court, because I like the soccer and sometimes I would like to play alone, with my friends and my childrens, other than that I dream with a swimming pool next to the soccer court, Here I want a roaster to make a barbecued or killing the time, On the edge of the pool I would like three lounge chairs and some umbrellas

I dream with a garage with some cars and space to store things, also I want in my house four bathroom with washbasin and shower

In my room I dream with a long bed, a desk, one computer and one window to see outside.
