

Hi, my name is Jhonatan and this is **my dream home**,

The land is very large. There is a horse and a farm, it has a lagoon, in the front yard of the house there is a fountain and a large parking lot, with a large palm trees,

My house is quite large, it has two floors, a ground floor and a first floor, it also has an attic, a basement. On the ground floor there is the entrance hall, the kitchen, a pantry, the living room, a large dining room. On the second floor there are three bedrooms, one of them has a bathroom, they have a large hallway. My room is between the rooms of my future children. It has a bathroom in the hallway and a study room

I love my bedroom, but I also like the attic. In it there will be a room with a fireplace to spend time with my friends. I like spending my time there because it's very spacious and there's a projector where I'll watch my movies. In the basement is where I will have a pool table and a drinks bar. At the back of the house there is also the garage, where the family car will be parked, and a beautiful garden with lots of green spaces.
