This is my dream house

My house is very big. They have three hectares of land. It has two floors: ground floor and first floor. On the ground floor is the kitchen, with a stove and two refrigerators, a pantry, and a bar with some chairs. In the living room there is a TV, some sofas and a coffee table, and a bathroom for visitors. On the first floor there are only seven bedrooms and 5 bathrooms. In the backyard there is a chicken farm and stables. On one side of the house there is the garage, with a small car, a truck and a motorcycle.
