The house of my dreams is in a spacious area, with a double-height living room for receiving guests and windows overlooking the backyard, which will be my favorite spot. The dreamhouse is in a bold black color with wood finishes.

It will be centrally located on the property and consist of two floors, featuring numerous windows, a kitchen, dining area, living room, two bedrooms on the ground floor, and four on the second floor. The backyard will be the highlight, hosting a soccer field and possibly a small gym. There is also a pet dog in the house, and in front, there's a car and a motorcycle. The garage will house a van exclusively for trips.
