The house of my dream is two stories, on the ground floor there will be a large coffee-colored cedar wood door, inside the house there would be a living room set, a cedar wood coffee table, a piece of furniture in which there would be the screen, some photographs and a wooden horse, in the lower part there would be the kitchen, all of it all made of wood, the two-door refrigerator, a stove, a breakfast bar with some wooden chairs, the dining room the same. of cedar wood, on the right side wall of the dining room you will see a large painting of a horse, you will see 4 bedrooms, the stairs are in the shape of a coral to reach the upper floor where When you go up you will see paintings of horses and a large one of my family, reaching the upper floor you will find a living room and a built-in screen, there are 5 bedrooms and in each of them a bathroom as well as some paintings. Outside the house, everything is closed and there is a large gate to access the ranch. Entering, you will find a large field in which you will see the stables where the horses will be, and ahead of them you will see the cattle, as well as than other animals.
