My dream house

Hello! My name is Bryant Robles and this is my dream house. My house is quite big. It has got two floors a ground floor and a first floor. It has also got an attic.

On the ground floor there is the hall. the kitchen, a pantry, the living room, a big dining room , two bathroom and a Pool.
on the first floor there are two bedrooms, each one with his bathroom

Next to the main entrance is the garage where my dad and I keep our cars.

On the upper floor there are 3 bedrooms and 1 bathroom, although the fourth house has its own bathroom.

My room is the second largest in the house and is next to the bathroom and at the end of the hallway.

The attic is used to store old things or things that at some point could be used as car tires, furniture, etc.

In the back we have a very large garden with grass, a bounce house and games and also a large pool with changing rooms and a shower.
