historical event

second war world

World War II began when Germany invaded Poland on September 1, 1939 and thus began World War II. After a While Great Britain and France declared war on Germany. German forces invaded Western Europe in the spring of 1940.

After that invading the Balkan region, Yugoslavia and Greece on April 6, 1941, the Germans and their allies had invaded the Soviet Union on June 22, 1941, in complete violation of the German-Soviet Pact.

It was the summer and autumn of 1941, German troops pushed deep into the Soviet Union. On December 6, 1941, Soviet troops launched a major counteroffensive.

German forces finally surrendered to the Allies on May 7, 1945. The surrender took effect the next day, May 8. World War II officially ended in most European countries on May 8.

On the Eastern Front, during the summer of 1942, were the Germans and their Axis allies resumed their offensive into the Soviet Union in order to capture Stalingrad on the Volga River, as well as when they captured the city of Baku and the oil fields of the Caucasus

When the war finally ended, 55 million combat deaths were recorded.
