

Vincent Van Gogh

¿ who was ?

Vincent William Van Gogh was a Nearland painter, one of the main exponents of Post-Impressionism. He painted around 900 paintings and made more than 1600 drawings. Born on March 30, 1853, he was the eldest of 6 children of a Protestant pastor and had a relationship with his brother Theo that would determine his artistic career.

Painted works

- the starry Night (1889)
- self portrait (1889)
- the potato eaters (1885)
- lilies (1889)
- cafe terrace at night (1888)
