This is my family, my mom, my two sisters and me .Physically, my mother is not very tall, she has brown hair like my two sisters. They are tall, the oldest has light brown eyes and the youngest has honey eyes. The skin tone of the three of them is similar to light brown but my younger sister is darker than my mother and my other sister

in this photo my mom is wearing a black swimsuit and brown sunglasses, my younger sister is wearing a yellow top and a black skirt, my older sister is wearing a black swimsuit with a white necklace and I'm wearing a white t-shirt with red shorts and green sunglasses.

When my mom was young she used to live in Guatemala and she did a lot of things there she used to have a beauty salon and she used to cut and paint hair and she also used to swim at the club there.

When I used to be little I went to the club a lot and I used to play tennis for hours while my sisters used to swim or walk and while we used to do this my parents were at the restaurant.

When we used to be little we were very energetic we used to do any kind of thing in the afternoons, we used to go to the movies or the park, sometimes my parents used to take us for a walk to the beach
