ENSAYO

there as a girl call nina and she have a red hood that she never take off, so the people call her little red riding hood, she prepare a basket because she was to his grandmas home to take care of she because she was alone since her grandpa passed away, she was walking in the woods and she found a big wolf his theets and claws was huge. hewant to eat her, but he find out a way to do it, he act kind and nice whit her, he asked to the girl:

"what do you have in your basket?".

' And she answers; "im visiting my grandma, this food is for her" so the wolf so the wolf hold on the girl ends the sentence and let her carry on. He follow the girl to the grannys house and take on the grannys clothes and act like her, he set up the blanket and let the girl come in. she feel something weird but she go over the house and dindt find out anything so she get closer to "her granny" and then the big wolf jump tu her and follow her all around the house but she scape of him, later huntsman came and made the wolf run far away from there and theyre lived happy ever after
