## COMPOSITION OF MY WEEKEND

I am going to have a great weekend, on Saturday morning I will go to school, I will have breakfast with my classmates and my teachers, after school we go home, in the afternoon I will go to a cousin's baby shower, we will have fun very good, we will play board games and eat spaghetti and red meat, on Sunday morning, we will go to breakfast at my aunt's house, the coolest, we will roast meat, we will eat sabritas and other things, in the afternoon I will go to mass at the parish of my neighborhood, then I will go with my cousins to have coffee and eat cookies and that will be my weekend.
