

My name is Jose Eduardo Guillen Gomez I was born in Comitán de Domínguez I am 19 years old I am currently studying and working I am a cell phone technician I currently live with my mother I am studying a career as a systems engineer mi tall 1.85 Everything that is technological catches my attention. My mother is Mexican, she is 60 years old and she works in real estate. my future plan is to graduate and open more cell phone repair stores. I really like having puppies of the Siberian Husky breed. In my free time I spend it doing homework, helping my mom and relaxing..
