I'm Roberto Antonio

I'm thirty years old

I love to spend time with my family

I work at Clinica ISSSTE

I like to play basketball

I listen all types of music, specially trova

I'm from Comitan

my daughter is three years old

I like to eat mole

I don't have pets

I study nursing at UDS on Saturdays

Do you think AI can replace nurses? teachers?

No I don't think so, because that professions need to care and guide students and patients

at the future I wish to have my own nursing office to care mayor adults

I study nursing because I help at covid Clinic when the pandemic arrived to comitan

I don't have pets because I think that it need time to care, and space to stay.

I do my homework only at nights because I work from 08:00 to 14:30, after that I going to my daughter school and then we do some activities with my wife and my daughter

I have one brother, he is a chef and he works in ensenada

my mother is fifty two years old her name is beatriz, she's happy, she works at Clinica del IISSTE at laboratory

my wife is thirty eight years old her name is Alma we have a daughter her name is alison, my wife is pregnant of three months, we don't know if is boy or girl but we love it.

my father is Fifty Four years old his name is roberto like me, he's serious, we play basketball together
