

Mejor comida: The best food I have ever tried was the corn tamales with chicken and mole that I tried in Veracruz once when I went and my grandmother prepared them. The truth is that they tasted very delicious. It was the best food I have ever had.

Lugar: The best place I have visited in my opinion was when I went to Veracruz at my grandparents' house since it is a very quiet place and whenever I go I relax being there.

Mejor persona;The best person I have ever met is my friend Carlos, who, more than that, my friend is like a brother to me since he is a person who is always there for me and the truth is that with him I can talk about everything since he always helps me. Listen, support me and well he is a very kind person, he knows how to listen and everything and well the truth is he is a very good friend and well the truth is I love him more than like a friend like a brother.

Mejor compra :By far, maybe what I have done in my life was my computer with which I work in investments and this one with which I calculate all my movements and apart from that I manage my money
