# Fashion review. Spring-Summer 2024 Fashion.

The model, a tall young woman with brown hair and white skin, of slim proportions.

Look stunning in this short beige two-piece set from the Spring-Summer collection.

The jacket, adorned with silver buttons and small beige 3D flowers, adds a touch of elegance and sophistication.

The plain double-sided skirt, which becomes a short skirt, is a perfect option for the Spring-Summer season.

The model's accessories are equally impressive. The dark sunglasses give it a mysterious touch, while the beige platform sneakers add style.

The bag of the same color, adorned with 3D flowers that match the bag, is the perfect touch to complete the outfit.

The model wears her hair down, with a slightly wavy texture, her makeup is natural and subtle having a glamorous effect on her.

The model looks radiant and self-confident, wearing this wonderful outfit from the Spring-Summer collection. The beige color is perfect for the season.

An ideal outfit for a special occasion.
