# It's Nice to Meet You

## The Verb "be"

The verb be is used to express identity, characteristics, states, locations and also as an auxiliary in the formation of other verb tenses.

### Example

I am a student

## Possessive Adjectives

Possessive Adjectives are used to show ownership or relationships. They modify nouns and indicate who something belongs to.

### Example

My book is on the table.

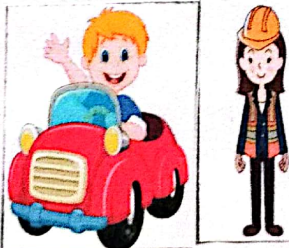

## Article a/an

Article a and an are used before singular nouns. A is used before words starting with a consonant sound, and an before words starting with a vowel sound.

### Example

He has a car  
she is an engineer

## Use of This and These / It and They

"This" and These are demonstratives used to indicate objects close to the speaker. It and they are pronouns. It refers to a singular thing, while they refers to plural things.

### Example

I like this dress.  
I love these flowers.  
It is raining today

## Prepositions of Place

Prepositions of Place are words that indicate the location of something or someone, or the direction in which it is moving. In a sentence, they function as connectors that show the relationship between a word and the object of the preposition.

### Example

the cat is in the box.

It's Nice to meet You

The verb  
"be"

The Verb be  
in negative form.  
In its negative  
form, it is used  
to indicate that  
something is  
not true or is  
not happening

Example

He is not  
happy

The Verb  
"be"

The Interrogative  
form of the verb  
"be" is used to  
ask questions  
and obtain  
information  
about the  
subject.
