MUSIC AND DANCE

Brazil's musical culture allows it to be a country full of rhythms, which, like its typical food, has indigenous, African and European influences. In this sense, among the main types of songs of Iberian origin are moda and modinha.

MUSIC AND DANCE

As for the dances of Brazilian culture, the most notable are the fandango, the chengancas, the pastoral dances, the capoeira, the batuque, the primitive lundú, the conga, the maxixe and the samba.

RELIGION

Brazilian beliefs are quite diverse, however, thanks to the cultural heritage of the Portuguese, the population is predominantly Catholic.
