they are the prófugos del anexo:

There are two members Julion Alvarez wears black pants and shoes, a brown and black jacket and a white hat, The second member is Alfredito Olivas, he has a white hat, a brown jacket, black pants and shoes.

They are solo singers but their friendship brought them together and thus they formed the duet of the prófugos del anexo.

They are both very charismatic and funny, in the image they are sitting and singing at one of their concerts

If I could I would listen to them all day from the time I get up at six o'clock in the morning until I fall asleep at ten or eleven thirty.
