ALL ABOUT ME

My name is Luis Enrique López Méndez, and I am 19 years old. I am from a small town called Bajucú, located in Las Margaritas, Chiapas. I love playing soccer, going camping, and taking photographs of nature. Being outdoors makes me feel at peace, and I enjoy walking in the mountains with my friends. One of my favorite activities is making bonfires when we camp. I come from a big family. My father's name is Enrique López Méndez, and my mother's name is Juana Méndez Vázquez. I have three sisters and one brother, and I am also an uncle to four nephews and one niece. We all live in the same town, and my house is near the mountains. My home is next to a stream, where I often go for walks.

My family and I are very close. My siblings and I always support each other, even from a distance since they live in another country. I am very proud of my family and my hometown, and I enjoy sharing my experiences with others.
