Diseño Gráfico

My name is Paulina Vázquez Cancino, I am nineteen years old and I was born on may 3rd, 2005 in Comitán de Domínguez, Chiapas.

My family members are: my mom Paula (fun fact: my name is the diminutive of her name), my grandma Marta and my grandpa Alfredo.

I am currently studying graphic desing in UDS.

In my free time i like to listen to music, watch movies, tv shows and go to the cinema with my mom.

My favorite singers are Taylor Swift and Olivia Rodrigo.

Another one of my favorite things is to hang out with my friends, although we don't see eachother often we have a great time talking and going to the coffee shop "Daily Donuts", in particular the coffee shop that is next to the restaurant "wings" and in front of the park.

My favorite donut is the chocolate covered one, a chocolate covered donut usually has m&m's on top and they are delicious.

Something really interensting about me is that I bend my foot very often, one time I was in middle school and I was going to my locker when suddenly in front of all my classmates i tripped and I bend my foot and it hurted a lot, no one helped me.

My best friend has a really cute puppy, the puppy's name is Kira, the other day i went to her house and Kira got out the house and when we went to find her i saw her immediatally.

"Where is she?" my friend asked.

"She's over there, behind those trees!" i said.

We found her dog and we were very happy.
