ALL ABOUT ME

Hi, my name is Paula. I come from Comitán, as a child i lived in Palenque and also in Tuxtla. But sinse i was 3 years old. I have lived in Comitán. I am 17 years old. I have two siblings their name are Dulce and Oscar. She is 15 years old and the he is 13 years old.

I really like to dance, my uncle invited me to go to a folk dance group, thanks to his I now belong to the Teman artistic Company.

In my Little field really like to spend time whatching the clouds.

I have a boyfrien and we have been in a relationship for a year and half.

One of the biggest coincidences is that his name is Pablo and my name is Paula. This is a Little strange but he and I met in primary school without knowing that in high school we would meet again and we were going to be boyfriends.

As I mentioned before, i lived in Palenque for approximately a year, after a while on my 11th birthdat I spent it in Palenque.

This was a Little bit of my life.
