My name is Valeria Ivonne Lopez Suarez, I was born in Comitan 20/06/2005. I'm 19 years old. I love the color pink, personally i think it is a beautiful color and i love it. I also have been doing ballet since a year ago, dance it's a really beautiful way to express myself and I enjoy doing it. This is my favorite pic from last December when my dance studio did a photo session for us.

In the picture next to this text are my dogs. I have 6, all of them are pretty girls, their names are Puca, Emiliana, Lindsey, Canela, Chapis and Dobby. Those dogs are my family and I love them a lot. Puca is my special baby because she's mine since I was 12.
