Mexico is a national state whose official name is the United Mexican States. It is located in North America and borders the United States to the north and Guatemala and Belize to the south. Its capital is Mexico City.

The official language of Mexico is Spanish, although the country recognizes 68 indigenous languages as national languages. The official currency of Mexico is the Mexican peso (MXN).

The most famous things about Mexico include its culture, nature and gastronomy. And its tequila is known worldwide.

The combination of colors and the shield have a deep meaning in the history of Mexico, reflecting both its indigenous roots and the fight for independence and national sovereignty.

Culture and historical heritage: It is famous for its ancient civilizations such as the Mayans and Aztecs, as well as its pre-Hispanic architecture, such as the pyramids of Teotihuacán and Chichén Itzá.

Art and music: Artists such as Frida Kahlo and Diego Rivera are world-renowned, and musical genres such as mariachi, son jarocho and norteño are also part of the cultural recognition.

Tourism: Mexico is a popular tourist destination for its beaches (such as Cancun and Riviera Maya), its colonial cities, and its festivities such as the Day of the Dead.
