Nombre del tema: COUNTRY

Parcial: I

Nombre de la Materia: INGLES I

Nombre del profesor: RAFAEL IVAN GUILLEN

Nombre de la Licenciatura: MEDICINA VETERINARIA Y ZOOTECNIA

Cuatrimestre: I

CULTURE

Japanese culture is diverse, ancestral and oriented towards the modern world: without leaving behind its tradition of samurai, temples and traditional cuisine, Japan has also known how to renew itself thanks to manga and new technologies. However, the classic elements are the ones that attract tourists the most.

TYPICAL FOOD

Sushi - 寿司 -: It is the best known Japanese food outside of Japan. It consists of a rice base with raw or semi-cooked fish or seafood and other ingredients such as vegetables and eggs. There are different types of sushi, the so-called makisushi are wrapped in nori seaweed. The sushi is accompanied by soy sauce, wasabi and marinated ginger. Onigiri (おにぎり). Rice triangles wrapped in nori seaweed and filled with different things

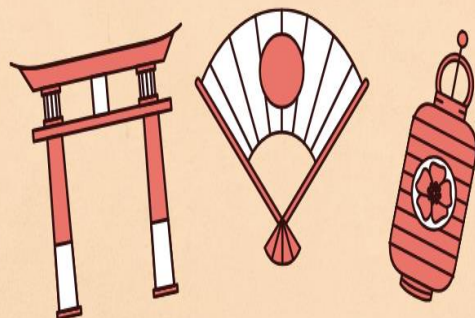

WHERE IS JAPAN LOCATED?

The Japanese territory is located in the region called Northeast Asia or East Asia, east of the Eurasian continent. It is surrounded by the Pacific Ocean, the Sea of Okhotsk, the Sea of Japan and the East China Sea.

JAPAN ANTHEM

こけ (苔) の生すまで

The anthem of Japan Japan's anthem is characterized by being one of the shortest in the world. You can then read it in the Japanese, Spanish and Romaji alphabet versions.

Kokoro no umi ni

u de ellas brote el musgo.

TOURIST PLACES

Tokyo, capital of Japan: In Japanese, Tokyo means "the capital of the East." Going to Japan without going to the capital is like visiting France without staying a few days in Paris: the experience is simply incomplete. There are those who claim that Tokyo is never finished, being one of the most metropolitan, diverse and turbulent cities in all of Asia.

Osaka

Osaka is a city dedicated to entertainment. The immense number of shops offers something to see on every corner, one after the other. In addition, it is considered the culinary capital of the entire country, just behind the grand tourism restaurants established in Tokyo.

FAMOUS PEOPLE

Akira Toriyama (鳥山明 Toriyama Akira?) was a Japanese manga artist and character designer. He became known mainly for his works Dr. Slump and Dragon Ball, and for the character designs of the Dragon Quest and Chrono Trigger sagas. His main influences were Astro Boy by Osamu Tezuka, 101 Dalmatians by Walt Disney and, mainly, Journey to the West, by Wu Chengen.

MOST PRACTICED SPORT

Baseball, the most popular sport in Japan, is slightly more popular among people in their 60s globally, but ranks 14th out of 17 sports worldwide. Similarly, cricket, the most popular sport in India, is ranked 17th out of 17 sports worldwide, indicating that it is a sport with strong regional characteristics.

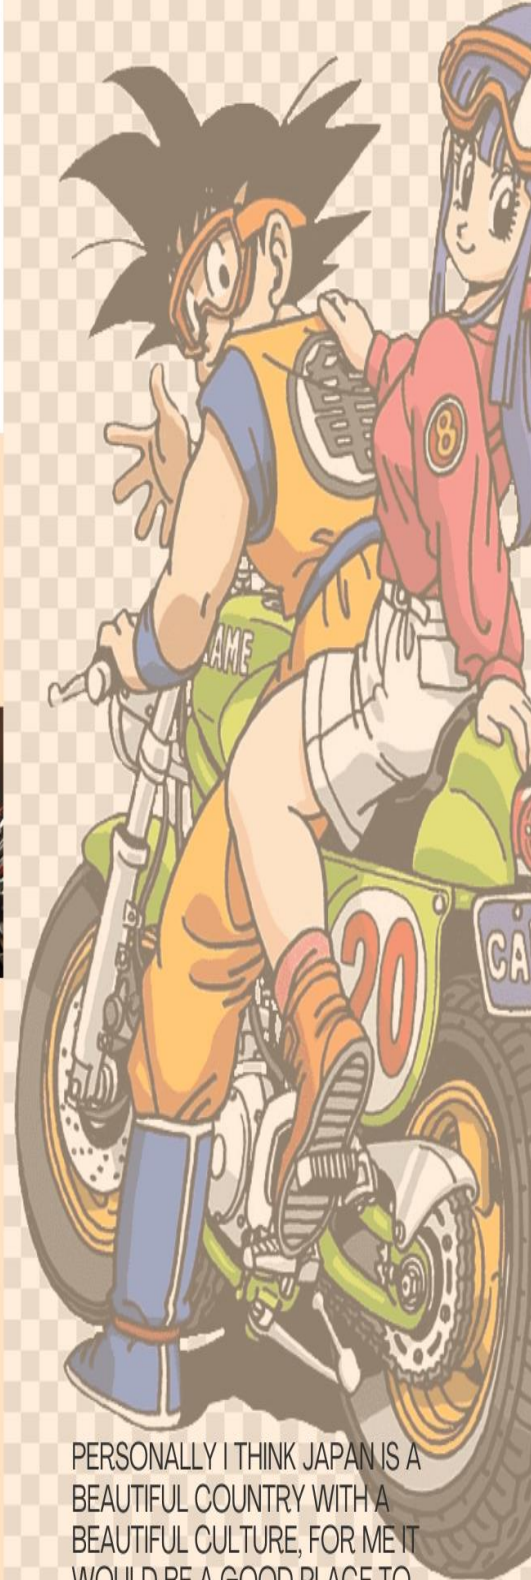

Soccer

Following closely behind, soccer is second in popularity. The J-League and the Japanese national team have fueled interest in the sport, which continues to gain fans across the country.

MY OPINION

PERSONALLY I THINK JAPAN IS A BEAUTIFUL COUNTRY WITH A BEAUTIFUL CULTURE, FOR ME IT WOULD BE A GOOD PLACE TO EXPLORE
