DESCRIBING WHAT IS HAPPENING

Hello my name is Daniel and I want to tell you a little about my day it is not long before 12 o'clock in the day we are at home, mom dresses in red because it is her favorite color, she takes care of my little brother who is just a baby and mom put a light blue vest that my grandmother gave him.

Dad accompanies us on his favorite bench, he wears a blue t-shirt, and black pants while reading a magazine, Monica is my younger sister, she is very charismatic and has an orange dress, because it is her favorite, she likes to paint a lot, that is why we settled on a very comfortable carpet on the grass and I decided to accompany her, today I dressed in a light blue t-shirt and black shorts to be comfortable while I play my tablet for a while, Max is our little dog who likes to rest with us, he has a very nice collar and it is red.
