I love my dad and my Mom
very mucho ♥

My name is shazady, my father's name is Josué, my mother's name is Marilú, that day was my graduation, it was 10 AM in the morning when we arrived at the place, my father was wearing cloth pants, a shirt, tie, and black shoes and a black jacket, my mother was wearing a long flowered dress, very pretty, and blue heels. I was wearing a long yellow dress under my toga and nude heels.

In the photo we were taking the corresponding photos at the end of the graduation.

My graduation ended at half past twelve. It was a very nice and sunny day.
