Nombre de la materia: Inglés

Nombre del yeacher: Rafael Iván

Parcial: 3

Nombre de la licenciatura: Medicina Veterinaria y Zootecnia

My boyfriend and I plan to go on a picnic on Wednesday at 9:00 am, we took some sandwiches and fruits for breakfast. We arrived at the very nice place on a very calm sunny day, where you could enjoy the atmosphere, my boyfriend was dressed in navy blue jeans, a white t-shirt and white tennis shoes, he has brown hair that is not very long, skin color not very brunette, tall and thin with brown eyes.

I was wearing a white blouse, blue jeans and white sneakers, my hair is a little long, very black, it's straight, I'm thin.

He gave me a box in which was a very beautiful bracelet, we are very happy because we have been together for a long time.

We returned home at 4:35 in the afternoon because at 8:00 at night we had dinner with my parents.
