GERMANY

Germany is a country in Western Europe with a landscape of forests, rivers, mountain ranges and beaches on the North Sea. It has more than 2 millennia of history. Berlin, its capital, has art and nightlife sites, the Brandenburg Gate and many sites related to World War II. Munich is known for Oktoberfest and beer halls, including the 16th-century Hofbräuhaus. Frankfurt, with its skyscrapers, is home to the European Central Bank.

The colors of the German flag carry important meanings that reflect the history and identity of the nation. Black symbolizes determination and strength, red symbolizes bravery and courage, and gold symbolizes wealth and prosperity.
