# BELLA AND BESTIA

My character's name is Bella  
She is 17 years old  
She is a young woman who seeks adventure  
and who does not let herself be limited by  
appearances. She is a passionate reader  
who is different from previous Disney  
Princesses because she comes from a  
humble family and loves science.  
an intelligent cheerful independent and  
beautiful young woman.
