Mom: My mom is a very hard-working woman, the one who keeps the house clean and pampers us.

Dad: My dad is a very hard-working man and also very pampering with his children.

Brother: My brother is the oldest, he is a young man who already works and has a professional career, he is a brother who takes care of us a lot.

Sister: My sister is the one in the middle, she is still studying, she is a sister who takes care of me and advises me all the time.

Maternal Grandmother: My maternal grandmother is a grandmother who always advises me about life and is very affectionate.

Maternal grandfather: I couldn't meet him but from what they tell he was a loving and hard-working grandfather.

Paternal grandmother: My grandmother is the most pampering and affectionate.

Paternal grandfather: My grandfather is a worker and is always spoiling us with what we want.

I am the youngest daughter since I am the one my parents spoil the most but they also take great care of me.
