### I Andrea

I study veterinary medicine, UPS and I also like cows.

### My Sister Fernanda

My sister likes soccer, and she is in the second year of high school. She likes chocolates a lot.

### My Sister Alina

My sister likes basketball and she also enjoys studying a lot. She dreams of becoming a doctor, has good grades, and likes to dance.

### My Mother Mariana

My mother expects a lot from us in our studies. Sometimes she scolds us, and other times she spoils us, but in the end, she loves all of us equally.

### My Father Adan

My Father is one of those with a strong character and very demanding. He is dedicated to livestock farming, and he really enjoys driving.

My grandpa - Mother

My grandfather lives on the ranch and takes care of his crops and animals, he really likes dogs

My grandmother - mother

My grandmother really enjoys working she always accompanies my grandfather to the field.

My grandfather - father

My grandfather worked on a farm and from there he learned many things that he has taught us today

My grandmother - Father

My grandmother has a strong character; she has always liked to be very caction in everything.
