# Family Tree

By: Kimora Morales.

# Family Tree.

## ● Dad.

He's my dad. He has his own business, he's a very loving and attentive father, he fulfills his economic and moral responsibilities towards us, his children.

## ● Mother.

She's my mom. She's a businesswoman and in charge of the household finances, she's a loving and responsible mother.

## ● Older Brother.

He's studies engineering at UTS, He's is my mother's right arm in the business.

## ● Grandfather.

He's my grandfather. My mother's father. My grandmother's husband. He's very serious and hard-working grandfather.

## ● Grandmother.

She's my grandmother, my mother's mother, my grandfather's wife. She's a very loving grandmother and a nice person, she takes care of the household chores.

## ● Younger Brother.

The most spoiled. he studies at UTS gastronomy, he helps with all the household chores and fulfills the role of errand boy haha.

## ● Me

This is me. I'm a veterinary and zootechnics student, in the afternoon I work with my mother in the business and around 6pm I get home to prepared food, I fulfill my responsibilities in the business and at home.
