Teacher:

Arreola Jiménez Eduardo Enrique.

Matter:

Inglish 2.

Tapachula, Chiapas, January 25, 2025.

"Nautilus house."
Naucalpan, state of Mexico

It is a crustacean-shaped house that is full of colored lights, creative shapes, this house is made by the architect Javier Senosiain. You would be surprised to see everything inside the house because it seems like you are in another dimension.

"Church turned into a modern house, Holland."
It is designed by Zecc Architecten. It is a house that has an appearance of a church inside and outside, but was redesigned with luxurious furniture. The windows and doors have a very peculiar shape of a church. It is very beautiful exterior and interior, it has a very well designed structure.

"House upside down".
Trassenheide (Germany).

The house is upside down and is only a tourist attraction, it was made by polish architects klaudiusz Golas and sebastian mikicuih. Inside the house everything is upside down, the furniture, the bathroom. with the purpose that visitors can see the world from a different perspective.

"Snail house".

Isla Mujeres, Quintana Roo,

The house is shaped like a sea snail, which was made by the mexican architect Eduardo Ocampo, who built this incredible home. The construction of these enormous snails that seem to sing very close to the sea, inside the house. It is decorated with real snails and also has paintings by octavio Ocampo.
