Tapachula Chiapas, Mexico

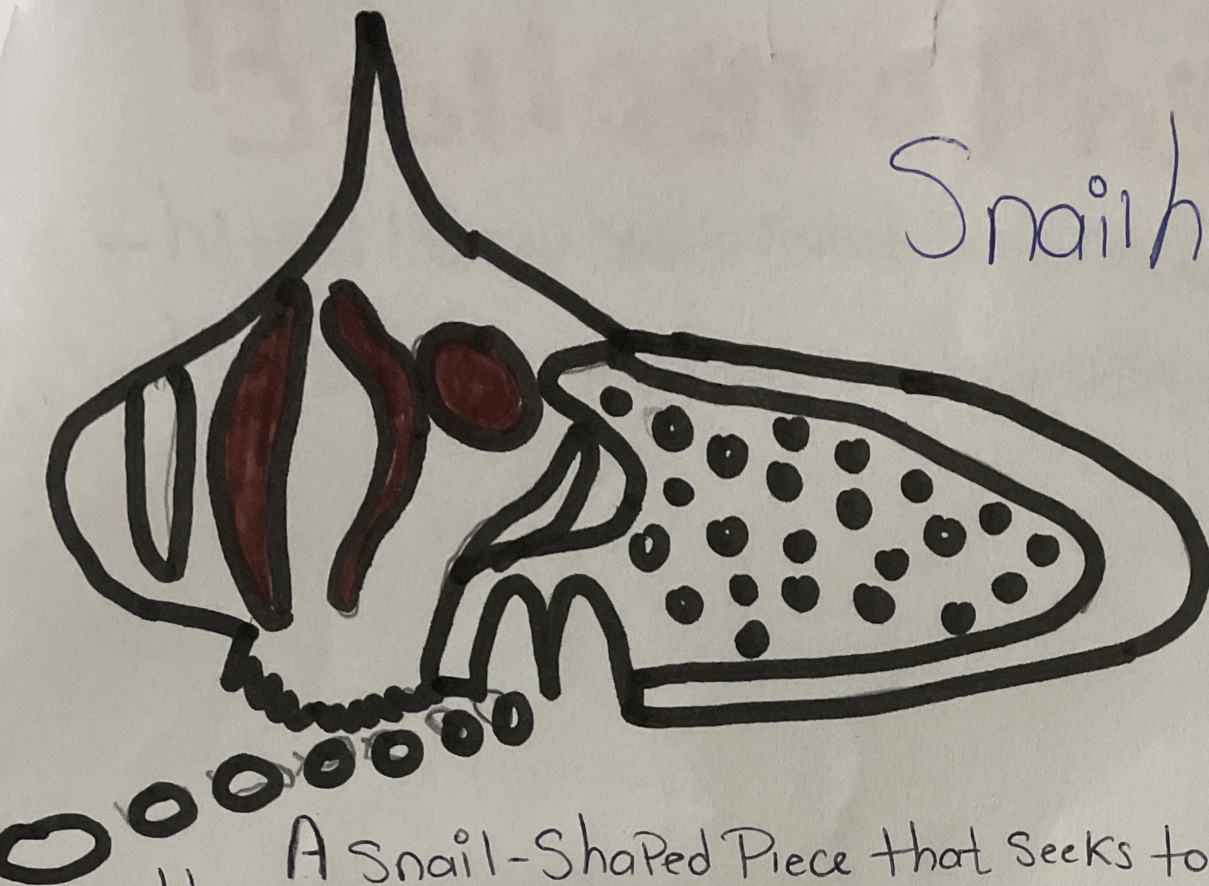

Half alien, half dreamlike. This is the bubble house on the Cote the blue designer's atelier Christian Dior before creating his own sewing workshop He Comissioned the original house, with Views of the mediterranean

It's owner is a shoe salesman who had it build in this emblematic shape back in 1948

It's owner did build this house with the aim of inhabiting it. And just one look is enough to understand it: it has three floors and a terrace, and is located in the center of a green garden with flowers.

Snailhouse.

A Snail-Shaped Piece that seeks to convey the sensations of a calm and relaxed marine habitat. Its different colored glass combined with its organic furniture give the environment the aura sought by its creator.

Ufo house.

The Property will have 700 square meters, includes a master suite with spa and two complementary suites for receiving visitors, as well as a desk, hall and living room, kitchen, spa, a multipurpose space for events and a service area.
