

COMPARANDO OPCIONES ACTIVIDAD DE PLATAFORMA

Alumna: Katherine Perez Parra
Profesora: María Fernanda Monserrat Campos

Professions

DENTIST VS. TEACHER

COMPARATIVES

1. Being a teacher is more fun than being a dentist.
2. Teachers talk more than dentists.
3. Teachers spend more time standing than dentists.
4. A dentist's job is more focused on health than a teacher's.
5. Teachers deal more with emotions than dentists.

SUPERLATIVES

1. The most friendly job is being a teacher.
2. The most social job is being a teacher.
3. The most focused job is being a dentist.

WHICH PROFESSION DO I PREFER?

I would prefer being a dentist over being a teacher because teaching requires more patience and emotional energy. Teachers need to deal with more students and be on their feet all the time, which can be tiring. Being a dentist is more focused and quieter. I think I would enjoy the calm and precise work of dentistry more than the busy and stressful work of teaching.
