The image is a comic book cover. At the top, there are two speech bubbles: a purple one on the left containing a yellow starburst and a blue one on the right containing a white starburst with a yellow center. Below these, the title 'PROYECTO GEOMETRIA' is written in large, bold, black letters. Underneath the title is a yellow speech bubble containing the text 'Realizado por Valeria López'. At the bottom, there are two panels of Mickey Mouse. In the left panel, Mickey is smiling and holding a black bomb with a lit fuse and a yellow starburst. In the right panel, Mickey is laughing with his mouth wide open, pointing upwards with his right hand. The background consists of various colorful geometric shapes and patterns, including a red shape on the left, a yellow shape in the middle, and a pink shape on the right, all with halftone dot patterns.
