## MY DREAM HOUSE

My dream house is big and beautiful, surrounded by nature. There is a large living room with a comfortable sofa and a big TV. The kitchen is modern, with new appliances and a big table where my family can eat together. There are 4 bedrooms: my room has a bed, a desk, a bookshelf, and a large closet. Additionally, there is a main bathroom with a shower and a bathtub.

In my dream house, there is also a garden with many flowers and a pool. In the garden, there is a small soccer field where I can play. The house has large windows that let in plenty of natural light. My house has a big balcony where I can admire the mountains while reading a book. There is also a spacious garage for two cars.

It's the perfect place to live!
