## MY DREAM HOME

My dream house is a cozy and modern house. There is a large living room with a comfortable sofa and a large TV. There are four bedrooms; which have a bed, a desk and its chair, a closet, a dressing table and each of them has a bathroom. The house has two floors, on the ground floor there is a bathroom for visitors.

The kitchen is spacious and there are modern appliances such as a refrigerator, stove and microwave. There is also a dining room with a marble table. Outside there is a beautiful garden with flowers and a pool. The best part is the balcony, where there are two chairs to enjoy.
