My dream home is a beautiful ranch in the countryside. There is a big wooden house with two floors. On the first floor, there is a cozy living room with a large sofa and a fireplace. The kitchen is modern, and there are wooden cabinets and a large dining table. On the second floor, there are three bedrooms. Each room has a comfortable bed, a wardrobe, and a desk.

Outside, there is a big yard with green grass and trees. There are horses and cows grazing peacefully, and there are also dogs border collier and my old schnauzer dog who has been with me for 16 years unning around. Near the house, there is a garage with two pickup trucks. My dream home is peaceful and full of nature.
