6. Pintor (i. painter)

**Plumber:** "I see the problem. The pipe under the sink is leaking. I'll tighten it up with this wrench."

**Homeowner:** "Thank you! It's been causing quite a mess."

**Electrician:** "I'm fixing the light fixture on the ceiling. Could you hand me that screwdriver from my tool belt?"

**Homeowner:** "Sure thing! Here you go."

**Painter:** "I'm almost done painting this wall. Just a few more strokes with the roller."

**Homeowner:** "The new color looks fantastic. It's really brightening up the room!"
