MY DREAM HOME

My dream house has a bedroom upstairs with a large bed, a small table with a lamp and a bookshelf with books. The bedroom has a window with curtains and decorative details that add a homely touch. The bathroom is on the right and has a round mirror above a sink and a shower area with a yellow curtain.

The living room has a sofa and pillows, a window with curtains and a lamp that creates a warm atmosphere.

The kitchen is downstairs and has a stove, a refrigerator and an oven. There are also shelves on the counter with kitchen items.
