MY DREAM HOME

My dream house is big and beautiful. There is a large living room with a comfortable sofa and a big TV. There are two bedrooms; in each one, there is a bed, a wardrobe, and a nightstand. The kitchen is modern. There is a fridge, a stove, and many cabinets. There is a dining room with a wooden table and six chairs. The bathroom is clean and has a shower, a sink, and a mirror. Outside, there is a garden with flowers and trees. There is also a garage for two cars. The house is perfect for my family.
