Nurse 1: Good morning, Mr. Johnson! How are you feeling today?

Mr. Johnson: Good morning! I feel a bit uncomfortable because of my broken foot, but I'm managing.

Nurse 2: That's understandable. We are here to help you. Do you need anything right now?

Mr. Johnson: Yes, could you please bring me some water? I'm quite thirsty.

Nurse 1: Of course! I will get you some water right away.

Nurse 2: Mr. Johnson, do you want to talk about your recovery? It's important to stay positive.

Mr. Johnson: Yes, I want to know how long I need to stay in the wheelchair.

Nurse 1: The doctor says you need to use the wheelchair for about six weeks. After that, we will help you with physical therapy.

Nurse 2: Exactly! We will work together to make sure you regain your strength.

Mr. Johnson: Thank you! I appreciate your support. It makes this situation easier.

Nurse 1: We are happy to help!  
Remember, we are here for you every step of the way.

Nurse 2: Yes! Let's make sure you have everything you need to feel comfortable.
