Charlie (Plumber): Hi, Aylin! What do you

do?

Aylin (Electrician): Hi, Charlie! I am an electrician. I fix electrical problems and install

lights.

What about you?

Charlie: I am a plumber. I repair pipes and fix leaks. Today, I work under

the sink.

Aylin: That sounds interesting! Look, Julián is painting the

wall.

Julian (Painter): Yes, I am a painter. I paint houses and buildings every day. I

always use

different colors to make places look nice.

Charlie: That's great! We all have important

jobs.

Aylin: Yes! A house needs a plumber, an electrician, and a painter to look

perfect!

Julian: Exactly! Now, let's finish our

work!
