This is my dream house. There is a large glass facade that shows a stunning view of the ocean. There are two floors. On the first floor, there is a spacious living room with a modern sofa, a coffee table, and a fireplace. There is a dining room with a wooden table and eight chairs, and the kitchen has marble countertops, modern appliances, and plenty of space.

On the second floor, there are three bedrooms with king-size beds, big wardrobes, and large windows that let in natural light. There is also a terrace with lounge chairs and an incredible ocean view. Underneath the house, there is an open space. It could be a small lounge or a storage area with access to the garden. Outside, there is a pool, a green garden, and a patio with comfortable furniture.
