My dream house is a two-story home. On the first floor, to the right, we have the kitchen, which features a gray refrigerator, a gray stove, and a counter for storing dishes. To the left, there's the living room with a sofa, a window, and a TV. In the middle, we have the stairs leading up to the second floor.

On the second floor, to the right, we have my bedroom, which includes a TV, a bed, a window, and a closet. To the left, there's the bathroom, equipped with a toilet, a sink, and a mirror.

On top of the house, we have a rooftop terrace, and also a laundry area with a washing machine. Additionally, on the left side of the house, there's a garage with a light blue car.
