Nombre del profesor: Rafael Ivan Guillen Alcala

Nombre de la licenciatura: Medicina Veterinaria y  
Zootecnia

Cuatrimestre 2

I want to have a light green double story house with a pool surrounded by many trees a garden of roses of all colors next to the pool, have some armchairs and some hammocks so I can rest when I will have a warehouse to store my cars and motorcycle since I want to have a truck and a car. have a large plot of land since I want to have many pets.

inside there will be the living room with a tv and a table in the center, there will be some paintings decorating the walls with some artificial flowers, and on the other side of the bathroom there will be a room for visitors with their respective bathroom and a view of the patio at the top I want to have six rooms with a hallway there will be five bedrooms and a bathroom in front of the house with a view of the street have a pet clinic.
