# MY DREAM HOME.

The house of my dreams is blue with white windows, it has a large garden with many flowers and trees, so I can have many dogs, inside the house I want a large dining room and a living room with a large screen, I also want a very pretty pink room with a large bed, a rug and a very nice closet, a bathroom with a tub and a balcony that overlooks the entire house, I would like to have a pool and many pets, as well as have many paintings to decorate the house and make it look more pretty
